

**LINGUA MUSICA's 22<sup>ND</sup> MUSIC / ARTS TOUR**  
*Celebrating the Franz Liszt Bi-centennial, the Fazioli Factory & more*

LINGUA MUSICA TOURS feature classical performance, ranging from grand European Music Festivals such as the Salzburg Festival, to more intimate ones, for example, the Duszynski Chopin Festival. Enjoy opera, ballet and symphony in the great European music houses, or savouring world class music performances in ancient castles and churches throughout Europe. Each year our route is a different one, though we return to our favourites many times. We also incorporate into our tours many additional activities of cultural and historical interest, such as visits to Art Galleries, walking tours, full day excursions, stimulating lectures and visits to the homes of composers. We regard our tours as being a return to our favourite European places, accompanied by a group of friends, which is why some of our guests have returned three, four and even five times.

With the milder weather, autumn colour and less congestion, October is a delightful time to travel in Europe. We focus on the life of the phenomenal piano soloist, Franz Liszt and his associations with other Romantics of the period, and also including many other highlights in our selected locations.

We follow in Liszt's footsteps, commencing in **VIENNA** and an overnight stay in **BUDAPEST**. From here we travel to **WEIMAR** in time for Liszt's Official Birthday Celebration performance. Extensive sightseeing includes a day in **LEIPZIG** and a day excursion to **BAYREUTH**, before flying to **VENICE**, from where we include an overnight stay in the delightful little town of **SACILE**, home to the marvellous Fazioli Piano, which has become the favourite instrument of so many international concert artists. How Liszt would have adored this piano! From Venice we take a fast train to The Eternal City of **ROME**, where Liszt spent the final years of his life living at the famous Villa d'Este, which we will visit. In addition to conventional private coach travel, we have incorporated European flights and fast trains, in order to give you the very best of varied experiences during your time in Europe.

Born in Hungary, Liszt was an important and influential composer, a notable piano teacher, a conductor who contributed significantly to the modern development of the art, and a benefactor to other composers and performers, notably Richard Wagner, Hector Berlioz, Camille Saint-Saëns, Edward Grieg and Alexander Borodin. We will explore a less known side of Liszt's personality through his association with one of his most brilliant pupils, Martin Krause, who in turn taught the great Chilean maestro, Claudio Arrau ... and then Arrau's long-time friend and pupil, **RUTH NYE**.

### **Tuesday 25<sup>th</sup> October VENICE - SACILE**

Reluctantly saying goodbye to memorable Weimar, this morning we drive to Frankfurt Airport, for our Lufthansa flight to Venice and then a short drive to the fascinating little Italian gem, **SACILE**. (We will take just an overnight bag from our bus leaving our main luggage in the care of our driver.) Our charming hotel is the Hotel Due Leoni.

During the afternoon we will have a guided tour of the famous **Fazioli Piano Factory** ... a unique experience not only for pianists, but for all interested in music. This place is a calm silent oasis ... anything but what the word 'factory' suggests. The introspective silence is broken only occasionally by the gentle sound of a piano being tried, or of a tremulous sound of strings being worked upon. The workers here are dedicated artists - how Liszt would have adored the Fazioli piano! Afterwards we will adjourn to the Fazioli Concert Hall for a lecture by Ruth Nye, followed by a piano / violin recital ... with music which will include some from Liszt's Italian period. Our day will include lunch in either Sacile or Venice. We return by vaporetto to the Venice Mestre Rail Station, in time for our fast train trip to Rome. It will be possible to have dinner on the train.

Livenza River, Sacile, Italy

### **Friday 28<sup>th</sup> October ROME**

We depart for a marvellously interesting day visiting the Villa d' Este, set in its splendid and mesmerising gardens of cypresses and fountains. (Certainly Liszt found these mesmerising during his final years when he resided here. We are told he would sometimes spend full days in contemplation in the gardens before he wrote his superb final works incorporating the sounds evoked here.) This day will include lunch in Tivoli and a lecture entitled, "Late Liszt" from Ruth Nye. We will also enjoy a performance of music from Liszt's Italian period.

We return to Rome where we bid goodbye to Ruth Nye.

### **Saturday 29<sup>th</sup> October ROME**

Today we commence with a morning guided tour, going further afield to St Peter's Basilica and the Vatican, returning via Trastevere, often referred to as the Village Within the City.

In the evening we meet for a Farewell Dinner.

### **Sunday 30<sup>th</sup> October ROME**

Roma incorporates into her tours many events beyond the norm, and perhaps that is what makes them so special. Experts and guest lecturers in many fields are an annual feature. Roma's tours have a proven record for excellence of both content and organisation.

On ground arrangements are in the hands of tried and trusted local operators, and there is no area of the first class accommodation and content not personally experienced by her many times. Having lived for eight years in Europe, and having since continued to travel extensively, Roma knows well and loves the chosen locations of her tours and regards them as being a return to her favourite European places accompanied by a group of friends. This is why some participants have returned two, three and four times.

### PROF. RUTH NYE, MBE, FRCM GUEST ESCORT

Australian born Ruth Nye, was invited to New York to study with Chilean maestro, Claudio Arrau, by Arrau himself after he heard her play in Australia. She continued to study and travel with Arrau extensively on concert tours over a period of 30 years, up until his death in 1991.

Ruth Nye had a distinguished career as a concert pianist, before turning her attention to teaching. She has built a widespread reputation as one of the world's foremost piano teachers. Ruth Nye is currently on the faculty of the Yehudi Menuhin School in Surrey, UK and the Royal College of Music in London, UK. She holds master classes and lectures throughout the world.

Ruth Nye was appointed a Member of the Order of the British Empire (MBE) in the 2007 Queen's Birthday Honours list. In 2008 a Fellowship of the Royal College of Music was conferred on her by HRH The Prince of Wales.

Lingua Musica has been very honoured to have Ruth Nye join us on tour on many occasions in order to present some lecture/ piano recitals. With her great knowledge combined with a charming personality, she has delighted us all. We welcome her in joining us on this Tour and look forward to her wisdom and knowledge as she shares with us her memories and knowledge of the great maestro, Claudio Arrau, and through him, her knowledge of that other great maestro, Franz Liszt.
