## SWISS FESTIVALS, MOUNTAINS AND MORE

**TOUR DIRECTOR: ROMA RANGLES, LINGUA MUSICA**

*Commences Geneva 31<sup>st</sup> August 2011*

**LINGUA MUSICA TOURS** feature classical performance, ranging from grand European Music Festivals such as the Salzburg Festival, to more intimate ones, for example, the Duszynski Chopin Festival. Enjoy opera, ballet and symphony in the great European music houses, or savour world class music performances in ancient castles and churches throughout Europe. Each year our route is a different one, though we return to our favourites many times.

Our Swiss Festivals tour commences in Geneva, where our stay in a luxurious hotel will delight. Our enthusiastic guide, who well loves her city, will introduce you to as much of Geneva as possible before we commence our journey of prestigious classical music festivals and spectacular mountain train journeys.

The first of our journeys brings us to picturesque **GSTAAD** in Saanenland, for part of the famous **YEHUDI MENUHIN FESTIVAL**, which the renowned maestro started and which has grown in prestige year by year, attracting the cream of the world's artists.

The **MONTREUX-VEVEY SEPTEMBRE MUSICALE** also features world-renowned artists during its annual music weeks and you will enjoy greatly additional Swiss Riviera experiences here. **SION**, the Capital of the Department of the Valais, spectacularly located below rugged peaks, is both a skiing and walking paradise. Its annual Classical Music Festival has become very popular within the music world.

And of course, **LUCERNE**, that sophisticated small city on the Lake of the same name is, like France's Aix-en-Provence, the venue for another of Europe's most popular classical Music Festivals. Every year one is confident of encountering the most distinguished orchestras, conductors and soloists in the world. We will enjoy part of this Festival as well as Lucerne's other attractions.
